E. DOLLAR COST AVERAGING/AUTO TRANSFER PROGRAMS

- Dollar Cost Averaging/Auto Transfer Program is simply the investing of equal dollar amounts at regular intervals. This method of investing does not assure profit or protect against loss in declining markets. DC 37
 - The initial transfer must be at least \$100.
 - A change in your portfolio allocation may cancel the Guaranteed Withdrawal Benefit Rider or Guaranteed Minimum Accumulation Benefit Rider. Rider charges will continue to the end of the minimum charge period. See your contract for more details.
- The Automatic Transfer or Dollar Cost Averaging Program will remain in effect until the value in the selected subaccount is depleted, or until the owner cancels the election or until annuitization.

1. I request the following transfer effective on _____
Month/Day/Year

If the date is not selected, the program will be initiated upon receipt of this form at the Home Office of the Company. If the date falls on a weekend or holiday, the transfer will be made on the following pricing day.

2. Select Transfer Frequency:

I would like funds transferred (check one): Monthly Quarterly Semiannually Annually

3. Select transfer type:

- A fixed dollar amount of \$ _____ (minimum \$100)
- A fixed percentage of _____ % (whole %; minimum of 1%)
- The excess amount above a target remainder of \$ _____
- A fixed number of _____ units
- Interest from _____ Year Fixed Account(s). Only available on MEMBERS® Variable Annuity III. Interest from all Fixed Accounts unless specified otherwise. This request only applies to the Fixed Accounts in effect upon receipt of this form in the Home Office.

PLEASE COMPLETE SECTION 4 TO SELECT SUBACCOUNTS FOR YOUR PROGRAM.

Dollar Cost Averaging using the DCA 1-Year/6-Month Fixed Period and DCA 1-Year Guarantee Period

- Each deposit has a \$1,000 minimum deposit.
- There is no market value adjustment.
- These investment options are available for new payments only. Existing value can not be transferred into these options.
- Any additional deposits are treated as the start of a new 12-month or 6 month period.
- The DCA 6-Month Fixed Period is only available on Members Variable Annuity III contracts.
- The DCA 1-Year Fixed Period is not available for Members Variable Annuity III contracts issued on or after May 1, 2010.

Members Variable Annuity I contracts:

- Any money remaining at the end of the 1 year period will automatically be transferred to the Vanguard VIF Money Market Subaccount unless otherwise specified.

Members Variable Annuity II& III:

- Any money allocated to the DCA periods will be transferred out over a 12-month or 6 month period to the other investment options as designated. If no designation is made, transfers will be made monthly to the Vanguard VIF Money Market Subaccount.
